

Recycling Bags

Recycling bags are ideal to hold recyclables included in bag-based municipal curbside recycling programs. They are designed to keep recyclables separated and make them easy to identify, and they help keep your bin clean. They are strong enough to store a variety of heavy recyclables. The bags are blue in color and clearly printed with the recycling symbol to differentiate them from regular trash.

- **Bags will handle your recyclables and keep your bin clean**
- **Excellent mil strength to store heavy recyclables**
- **Printed with recycling symbol**
- **Blue color**
- **Available in flat pack**
